# ABOUT US

## What we aim ?

Build a strong community to launch an innovative crypto bank

## How we will succeed ?

Through trust, security, and active community participation

# — HELLO!

**“In a world rushing toward decentralization, those who build communities — not just products — will lead the future.”**

- **Mr. Alaric Jorvik**, the visionary behind Cashien, brings a deep passion for innovation, financial empowerment, and the future of decentralized technology. With a strong background in finance, entrepreneurship, and blockchain technology, **Mr. Alaric Jorvik** recognized early on that the future of banking lies beyond traditional systems — in the hands of the community.
- Driven by a mission to make crypto banking **secure, accessible, and community-powered**, **Mr. Alaric Jorvik** has spent years researching the gaps in current financial services and how blockchain can fill them. Their leadership style combines strategic thinking with a people-first philosophy, ensuring that every step Cashien takes is aligned with transparency, trust, and long-term value for its users.
- Under **Mr. Alaric Jorvik**’s guidance, Cashien is not just launching a product — it is building a **movement** to reshape how the world views and interacts with money.

**Mr. Alaric Jorvik**  
**Founder, Cashien Company**

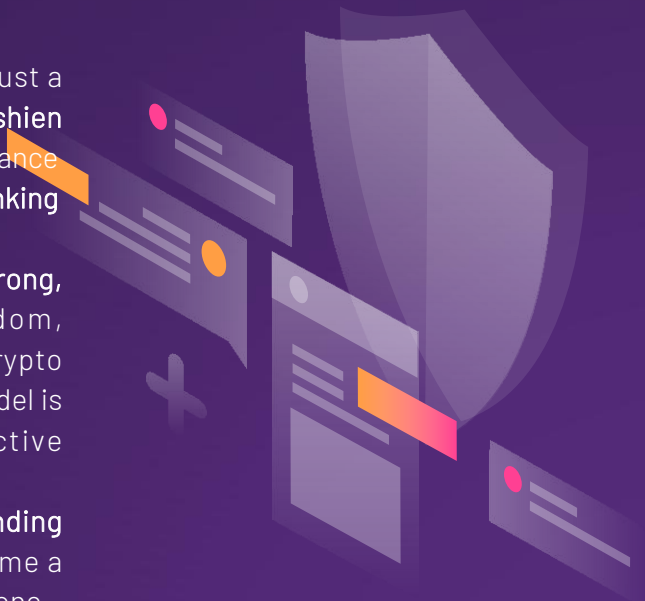

## Introduction

In today's fast-evolving financial landscape, cryptocurrency is no longer just a speculative asset—it is the future of banking. Recognizing this shift, **Cashien** aims to bridge the gap between traditional banking and decentralized finance (DeFi) by creating a secure, innovative, and community-driven **crypto banking platform**.

Before entering the operational phase, Cashien is committed to **building a strong, engaged community** that shares our vision of financial freedom, transparency, and innovation. We believe that true success in the crypto space begins with trust, education, and collaboration. Our business model is designed to prioritize **community involvement**, making users active stakeholders in the development of our services.

With the goal of offering **seamless crypto transactions, Savings options, Lending services, and Secure digital asset management**, Cashien will become a pioneer in making crypto banking accessible and trustworthy for everyone—from newcomers to seasoned investors.

Through this business plan, we outline our strategy for **community building, Service Development, and long-term growth** in the crypto banking sector.
